We want your views on improving stroke services

We are holding a patient and carer engagement event about stroke. This event is for patients, carers, voluntary sector and patient groups to find out about the partnership work taking place to improve stroke services across Lancashire and South Cumbria.

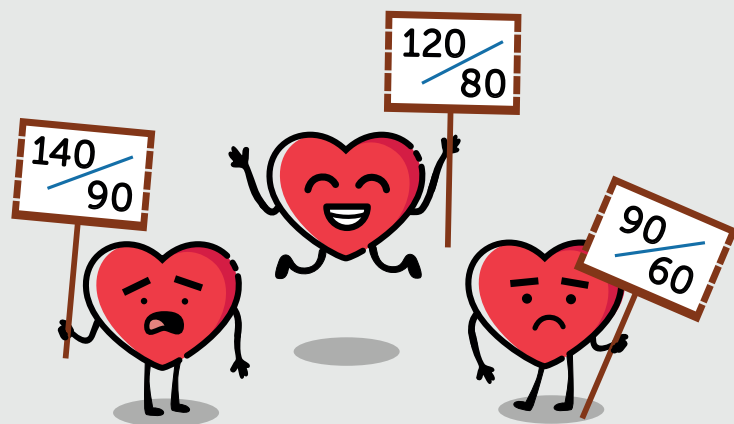

Join us to find out more and check your blood pressure on

Wednesday 18 September 2019

12.30pm - 4.30pm at Farington Lodge, Leyland

You can register to attend the event by visiting
